Subject: Re: Decision V/9k (Spain) - from the Party concerned

Dear Aarhus Compliance Team,

If I understand well these are the fees at the national level, for the information provided from the state agencies.
We congratulate us for the initiative at state level.

In Case ACCC/C/2008/24, the non-compliance was regarding the local fees of environmental (planning) information from the Murcia Council. These fee have not been changed until now.

Best Regards,

Eduardo Salazar Ortuño
Chairman
Asociación para la Justicia Ambiental
