In accordance with our competence, guided by art. 65 and art. 70 of the Law of the Republic of Belarus dated 04.01.2010 No. 105-3 "On the Legal Status of Foreign Citizens and Stateless Persons in the Republic of Belarus", we inform that by the decision of the Moskovskiy district Internal Affairs Department in Minsk, a citizen of the Russian Federation Andrei Ozharovsky was expelled from the Republic of Belarus in 2012 and he is denied entry to the Republic of Belarus for a period of 10 years.

The bases for the expulsion of a foreigner from the Republic of Belarus was administrative responsibility of a citizen of the Russian Federation in the form of administrative arrest for a period of 10 days in accordance with art. 17.1 of the Code of the Republic of Belarus on Administrative Offenses (disorderly conduct). The specified administrative offence was directed against public order and public morality.

For the foregoing reasons, we consider the decision of the Moskovskiy district Internal Affairs Department in Minsk to expel A. Ozharovsky from the Republic of Belarus as legal, justified, and it does not violate the provisions of the Convention on access to information, public participation in decision-making and access to justice on issues related to the environment.
