Subject: Re: Decision V/9d (Bulgaria) - Committee's report to the sixth session of the Meeting of the Parties

Dear Ms. Fiona Marshall,

Thank you for the report. Hereby please find attached additional information on new legislative changes proposed by Bulgarian Parliament that will further worsen the access of citizens to justice. The amendments to the Environment Protection Act 754-01-43 from 11/07/2017 (<http://www.parliament.bg/bg/bills/ID/77621/>) propose that citizens and legal entities will not be able to appeal to a second instance court Environmental Impact Assessments decisions. If necessary we can translate the document in English.

Best regards,
