Dear Chair of the Compliance Committee,

On July 16th 2018, Romania has received via/through the PERMANENT MISSION OF ROMANIA to the United Nations Office at Geneva and the International Organisations in Switzerland, your letter containing the „Advice to the Party concerned concerning the implementation of Decision VI/8h”. Within this letter, at pages 3-4, under the title **Paragraph 2 (c) of decision VI/8h** there is the deadline 1 October 2018 by which Romania is asked to send the list of the strategic documents and time frames observed, according to the Government Decision no.1076/2004.

In this respect we would like to know if the CC would agree with an extension of 10 days of the deadline 1 October 2018 by which the CC is waiting the progress report from Romania, until 10th of October ?

Hoping for a positive answer,

Sincerely yours,

Daniela Pineta
