**Stakeholder meeting under the project  
«Implementation of targets under the Protocol on Water and Health in the  
Republic of Moldova»**

(Chisinau, 12 November 2015)

***Background and objectives of the meeting***

The Stakeholder meeting under the project aims at gathering the members of the Steering Committee of the «Implementation of Targets under the Protocol on Water and Health in the Republic of Moldova», in accordance with the Government Decree of its establishment and other stakeholders active in the project implementation.

The meeting will review the progress with the implementation of the different outputs of the project in view of its prompt finalization, advice on further activities to be implemented within the project and decide the next steps and timeline for the project finalization as well as outreach and promotion activities.
