

Symposium organized by WHO CEHAPE Youth Network

“Let’s share experience!”

Youth involvement in Water and Health projects

How can youth contribute to the Protocol on Water and Health 2011-2013?

Bucharest, Tuesday, 23 November 2010.

Human Rights Hall of the Parliament Palace in Bucharest

The principal aim of the Youth side event is to highlight how youth have been involved in implementation and realization of Water and Health related projects and activities in pan-European region. The organizers will briefly present their contribution and emphasize the importance of youth involvement in this field. Moreover, the speakers will present the possible role of WHO CEHAPE Youth Network in implementation of the Protocol on Water and Health.

A series of lively presentations and videos from young people across the region will showcase concrete examples of how youth can significantly contribute to awareness raising and action on environment and health at local and national level.
