Working Paper No. GRE-CM-1-1  
(1st GRE-CM informal meeting,  
Brussels, 3 March 2005)

Brussels, 26 January 2005  
ENTR F/5 D(2005)

**Subject: Conspicuity Marking Informal Working Group of GRE - 1<sup>st</sup> Meeting**

Please find attached a draft report of the preliminary meeting of the Conspicuity Marking Informal Working Group of GRE held on 25 November 2004. If you have any amendments or additions that you would like to be included, please let me know.

I would like to take this opportunity to remind you of the request for information (item 5.1) concerning the issues that were raised in the Commission discussion document (also attached). To date, I have received comments from only one delegate to the meeting. If the next meeting is to be fruitful, it is important that I receive comments from as many delegates as possible before 31 January, to allow sufficient time for them to be consolidated and circulated prior to the meeting.

The co-ordinates for the next informal working group meeting are:

Date: 3 March 2003  
Duration: 10.30 – 17.00 hrs  
Venue: CLEPA  
Meeting Room 3, 4<sup>th</sup> floor  
Boulevard Brand Whitlock 87/B1  
BE 1200 BRUSSELS

I attach for your information details about how to get to the CLEPA offices and some suggestions for hotels. A limited number of parking spaces are available at the CLEPA offices. If you require any other information about the venue, please contact M. Roland Gillebeert (Tel: +32 (0)2 743 91 36, E-mail: [techsec@clepa.be](mailto:techsec@clepa.be)). For any other information about the meeting please contact myself.

Please can you confirm your attendance at the meeting by 21 February 2005.

Yours sincerely
