From the Mercure Hotel it's a 5 minutes walk: follow the street (Spui) to the right, cross the 'Kalvermarkt' keep walking in the same direction (called now Hofweg), the road makes a S turn. Novotel is just on your left on the other side of the street, in the second bending of the S (to the right). The entrance is in 'De Passage'. It's opposite to the house of Parliament. If you have reached the big Hofvijver (water) you walked nice, but a little bit too far.
