

Fifth Editorial Committee meeting of the OCE gtr 7 December 2007, via Teleconference

This meeting was a meeting of the Editorial Committee. The OCE Secretary provided the following meeting summary.

On December 7, 2007 the OCE-GTR Informal Working Group meet via conference call. As a result of that call, please find attached "Working Doc No 13 - Draft GTR (Ver8) - Dec 7 2007 conference call results.doc" which captures the results of that call in blue text. The conference call focused generally on the following two discussion topics. Discussion support materials are referenced and attached.

1. WNTe Laboratory Based Test
(ref: attached "Options for OCE Lab Test 6.12.07.doc")
2. WNTe Gaseous and Particulate Exhaust Emissions
(ref: attached "OICA WNTe modified.doc")
(ref: attached "NL proposal for WNTe equations.doc")
(ref: attached "Dutch proposal for simple equations.ppt")
