

Subject: 01-R41WG-09: Next R41WG meeting

Dear R41WG,

To wrap up the loose ends in the draft amendment, there will be an R41WG meeting in the IMMA office on 23rd (all day) and the morning of 24th April.

I attach the instructions for finding the office.

Apart from the Movenpick, for which we can get you a rate of 230 CHF per night, there is an Ibis hotel next to the airport. As there is really nothing to do in this area, except admire the aeroplanes, I assume that most of you will stay in your usual hotels and come out on the bus.

The office can hold 18, so please can you confirm if you will be coming. If there are too many I will ask for a room at the Palais.

An agenda will follow in due course.

Kind regards
Nick Rogers
