Committee of Experts on the Transport of Dangerous Goods and on the Globally Harmonized System of Classification and Labelling of Chemicals

**Sub-Committee of Experts on the Transport of Dangerous Goods** 

7 June 2010

Thirty-seventh session
Geneva, 21–30 June 2010
Item 3 of the provisional agenda
Listing, classification and packing

## Portable tanks instructions for Division 4.3 liquids

Addendum to document ST/SG/AC.10/C.3/2010/28

## Note by the secretariat

The following text, which was part of the original proposal submitted by the United States, did not appear in the official version of ST/SG/AC.10/C.3/2010/28 due to technical reasons and should be added.

## **Proposal 3**

7. Amend the Guiding Principles for assigning portable tank instructions to Division 4.3 liquids as follows:

| Class or    | PG  | Sub-Risk   | Tank                       | Notes |
|-------------|-----|------------|----------------------------|-------|
| Division    |     |            | Instruction                |       |
| 4.3 Liquids | I   | Any other  | T9 or T15 <sup>a</sup> or  |       |
|             |     | than 6.1/8 | <u>T21<sup>b</sup></u>     |       |
|             | II  | Any other  | T7                         |       |
|             |     | than 6.1/8 |                            |       |
|             | III | Any other  | T7                         |       |
|             |     | than 6.1/8 |                            |       |
| 4.3 Liquids | I   | 6.1 or 8   | T10 or T14 <sup>a</sup> or |       |
| _           |     |            | <u>T21<sup>b</sup></u>     |       |
|             | II  | 6.1 or 8   | T7 or T11 <sup>a</sup>     |       |
|             | III | 6.1 or 8   | T7                         |       |

<sup>&</sup>lt;sup>a</sup> This instruction shall be assigned to n.o.s. substances and may also be assigned based on the absolute vapour pressure of the substance.

Please recycle

<sup>&</sup>lt;sup>b</sup> This instruction shall be assigned to Division 4.3 packing group I liquids which may ignite in contact with water or moist air.
