

## Financing schemes:

- A. fee by the T.A.P. for each T.A. document uploaded
- B. annual fee by each C.P. to the 1958 Agreement
- C. fee by the user for each access (i.e. upload or download)
- D. other <sup>best</sup> possible solution (to be defined!!)

The financing scheme for DETA should not hamper the accession of new Contracting Parties to the 1958 Agreement.
