	Moderator	Maja Simoneti , Ljubljana Urban Institute – LUZ d.d., Slovenia
	Title	<i>Introduction to the R.A.V.E. Space Strategy for Spatial Education</i>
		Discussion among experts and representatives of competent Ministries (e.g. Education / Environment / Spatial Planning) of participating countries: the aim is to discuss the R.A.V.E. Space Strategy for Spatial Education as a tool for enforcing spatial education in school systems, starting from the national experiences regarding the integration of spatial related topics in school curricula.
		Open discussion

17.00 18.00	Parallel Sessions	Workshops
		“Linking the spatial planning sphere of activity with the school practice”
	Moderator	Polona Demsar Mitrovic , MESP - Spatial Planning Directorate, Slovenia
	Rapporteur	Elena Marchigiani , Department of Architectural and Urban Design, University of Trieste, Italy
		<i>Target groups: spatial planners, teachers, headmasters</i> <i>Institutions responsible for spatial planning at the municipal level should be connected with local school activities. Common understanding of spatial planning issues will bring better solutions in space we all live in.</i>
		“Values of space in the school curricula - accessions and methods”
	Moderator	Tatjana Resnik Planinc , Faculty of Arts – University of Ljubljana, Slovenia
	Rapporteur	Jenny Georgiou , Region of Ionian Islands, Greece
		<i>Target groups: boards for education, representatives of Ministries of Education</i> <i>Taking into consideration the basic similarities and differences among school curricula of different European countries, it is necessary to research the possible implementation framework of the various teaching tools, approaches, strategies and methods to be used in school.</i>

18.00 18.30	Plenary session	Reports on Workshops: two rapporteurs, each from one of the Workshops
	Moderator	Tomaz Miklavcic , MESP – Directorate for European Affairs and Investments, Slovenia

20:00 **Dinner at the Restaurant Maxim**

Tuesday, 4 December 2007
