

## List of Extra-budgetary projects - TIMBER AND FORESTRY

ID#	Title	Objective	Source of funding	From	To	EXCOM approval date	Beneficiary countries	Project manager
<a href="#">E...</a>	Improve capacities of the UNECE member States on assessing forest damage/disturbance in the UNECE region	The objective of the project is to improve knowledge, methodology and reporting capacity on forest damage in the UNECE region. The health and productivity of forests have always been a central concern for forest management. In the face of climate change and other anthropogenic stressors, the need to measure and understand disturbance processes leading to forest degradation has been recognized	Finland	Dec. 2020	Dec. 2022	05.10.2020	UNECE member States	Roman Michalak
<a href="#">E...</a>	Supporting UNECE member States in building capacity on urban forestry	The objective of the proposed project is to support UNECE member States in building capacity on urban forestry through the implementation of the "Trees in Cities Challenge".	Switzerland	Feb-20	Dec-20	17.02.2020	UNECE member States	Gianluca Sambucini
<a href="#">E...</a>	Enhance awareness and political commitment of the Caucasus, Central Asia, Eastern and South-Eastern Europe on forest landscape restoration under "ECCA30" and the Bonn Challenge	The objective of the project is to enhance awareness and political commitment of countries of the Caucasus, Central Asia, Eastern Europe to restore forest landscapes.	Germany	Feb-20	Feb-21	17.02.2020	Caucasus, Central Asia, Eastern and South-Eastern Europe	Gianluca Sambucini
<a href="#">E346</a>	Enhancing circumboreal cooperation in support of SDG 15	The objective of this project is to enhance circumboreal cooperation in the UNECE region. The boreal forest contains a third of all the trees on earth and in combination with its soil forms the largest storage of CO2 and boreal forest-based products offer an alternative to more carbon-intensive materials such as plastics, concrete or steel.	Russian Federation	Jan-20	Dec-21	16.12.2019	UNECE member States	Paola Deda
<a href="#">E338</a>	Strengthening communication on the role of Sustainable Forest Management in the UNECE member States in support of the 2030 Agenda for Sustainable Development	The objective of the project is to raise awareness of the UNECE member States on sustainable forest management and monitoring. The project will focus on raising awareness on sustainable forest management (SFM), boreal forests and forest monitoring through communication within and outside the forest sector.	Russian Federation	Jul-19	Jul-21	08.07.2019	UNECE member States	Paola Deda
<a href="#">E336</a>	Support for the preparation of a legally binding agreement on forests hosted by UNECE	The objective of the project is to improve understanding of the UNECE member States on the negotiation process of a legally binding agreement on forests.	Finland	Aug-19	Dec-20	08.07.2019	UNECE member States	Florian Steierer
<a href="#">E338</a>	Increasing visibility and participation of countries at the joint 77th Session of the UNECE Committee on Forests and the Forest Industry and the 40th Session of the FAO European Forestry Commission	The objective of the project is to increase visibility of outcomes of the 77th Session of the UNECE Committee on Forests and the Forest Industry and the 40th Session of the FAO European Forestry Commission (4-7 November 2019, Geneva, Switzerland).	Switzerland	Aug-19	Dec-19	08.07.2019	UNECE member States	Paola Deda
<a href="#">E321</a>	Strengthening the capacity of the Caucasus, Central Asia, Eastern and South-East Europe to restore forest landscapes under the Bonn Challenge	The objective of the project is to strengthen the capacity of countries of the Caucasus, Central Asia, Eastern Europe and South-East Europe to restore forest landscapes under the Bonn Challenge - a global effort to restore 350 million hectares of the world's degraded and deforested lands by 2030.	Germany and other donors	Mar-19	Mar-20	01.02.2019	Albania, Armenia, Azerbaijan, Belarus, Bosnia and Herzegovina, Bulgaria, Croatia, Czech Republic, Georgia, Hungary, Kazakhstan, Kyrgyzstan, Moldova, Montenegro, Poland, Romania, Serbia, Slovakia, Slovenia, Tajikistan, the former Yugoslav Republic of Macedonia, Turkmenistan, Ukraine and Uzbekistan	Roman Michalak
<a href="#">E308</a>	Communicating the role of Sustainable Forest Management in the implementation of the 2030 Agenda	The objective of the project is to strengthen communication on the role of Sustainable Forest Management (SFM) in the implementation of relevant SDGs in the UNECE region.	Switzerland	01-Apr-18	31-Mar-19	19.03.2018	UNECE member States	Paola Deda

## List of Extra-budgetary projects - TIMBER AND FORESTRY

ID#	Title	Objective	Source of funding	From	To	EXCOM approval date	Beneficiary countries	Project manager
