ENTREPRENEURSHIP IN AZERBAIJAN: OPPORTUNITIES AND CHALLENGES

BY FARID ISMAYILZADA
FOUNDER AND CEO OF GOLDENPAY
Generating ideas to implement in Azerbaijan is relatively easy

The current economy and population of Azerbaijan would allow you to make almost any idea to be profitable as long as you have done it right

The market is relatively not very competitive
NETWORK

Creating right network around your business also huge opportunity in Azerbaijan

Knowing right people and having right people know you, you can make your business happen

People generally supportive of new ideas
FINANCES

- Finances in Azerbaijan is a challenge
- Banks are not giving business credits easily
- There is a need for governmental support
LEGAL FRAMEWORK

- Legal framework is satisfactory
- It requires constant improvement
AZERBAIJAN AS HUB

You can move successful business from Azerbaijan to region
THANK YOU!
