

Status of Programme Implementation

Capacity-building Activities

(1 January 2014-30 June 2015)

Michiko ENOMOTO

Economic Cooperation and Trade Division

UNECE

Mandates & principles

Terms of Reference

CECI Sessions (1-8)

3 characteristics:

- Demand-driven
- Direct linkages between policy recommendations and activities
- Cooperation and partnership with CICPPP Teams of Specialists and international organizations

Main areas of capacity-building activities

Innovation and competitiveness Policies (including aspects on Financing innovative development and Entrepreneurship and enterprise development)

Public-private partnerships

Promoting the knowledge-based economy, fostering wider and deeper international economic integration in the UNECE region

44 capacity-building/policy-advisory activities in 18 countries.

UN Special Programme for the Economies of Central Asia (SPECA)

- **Strengthening regional cooperation in Central Asian Countries and support integrating them into the world economy**
- **Supporting SPECA Project Working Group on Knowledge-based Development**
- **Conducting capacity-building activities/policy advisory activities on Innovation, PPP & other knowledge-based development areas**
- **17** capacity-building events/ policy advisory activities.

The way forward

- **Responding to growing demand for capacity-building activities subject to the availability of resources and agreed mandate.**
- **Seeking synergies between policy-oriented & normative activities and capacity-building activities**
- **Exploring links between different thematic areas of work**
- **Working closely with CICPPP Teams of Specialists and networks of experts**
- **Deepening cooperation with other international and partner organizations**
- **Need for continuous support and in-kind contributions.**

Our special thanks to:

- **Members of Teams of Specialists and other experts**
- **Member countries who provided in-kind support in organizing activities**
- **Government of Israel, the Netherlands, the Russian Federation, the Eurasian Development Bank, the European Union, the State corporation “the Bank for development and foreign economic affairs” (Vnesheconombank) of the Russian Federation, Toyo University, Japan**
- **International organizations who co-organized/provided substantive input to the activities.**

THANK YOU!

Michiko ENOMOTO (UNECE)
