11th Session of the UNECE Committee on Innovation, Competitiveness and Public-Private Partnerships (21 March 2017)

Alexandra ‘Santu’ Boëthius, Co-Founder, Impact Hub Geneva
Dora Tüz, Partnerships & Outreach
Mission and Overview

Our mission is to enable impact-driven entrepreneurs with proven solutions, to scale to markets in other countries and thus increase their impact on the achievement of the Sustainable Development Goals.

Accelerate2030 offers the most promising impact-driven enterprises across 4 continents relevant resources, networks and partners in order for them to:

- Create long-term partnerships for increased impact
- Implement impact-measurement systems
- Attract investments to grow their impact
- Scale their impact into new markets
Vision - Supporting the 2030 Agenda worldwide

Join us in expanding the impact of Accelerate2030

Contribute to accelerating the achievement of the Sustainable Development Goals
Partner in the early stages of strategic design of the program and its expansion globally, contributing with your vast knowledge, technical experience and networks in development contexts.

Share your expertise and networks
Together we can leverage the support and networks that impact-driven entrepreneurs need in order to scale their proven models for better education, healthcare, environment protection and poverty reduction - to the contexts where these solutions are most needed and through this joint effort quadruple our impact by 2020.

Leverage Geneva’s position in the development and social entrepreneurship arena
Geneva is the home of the international development organizations and their headquarters, an established finance community and a vibrant entrepreneurial sector. With these assets we can leverage the unique positioning of our city as a global innovation hub for sustainability and the Sustainable Development Goals.
is a social innovation lab and incubator for purpose-driven ventures, connected globally to the Impact Hub network.

And the Impact Hub network

Impact Hubs are located in over 50 countries, with a forecasted 200 open impact Hubs by 2020, of which half will be located in the developing world.

- **80+** Impact Hubs operate in 70+ cities in 50+ countries on 5 continents
- **15K** Values-driven impact makers seeding & scaling ideas that might just change the world
- **1K** New start-ups founded yearly
- **1** Rapidly expanding global network to inspire, connect and enable people to sustainably and collaboratively impact society
- **100K** Valuable connections made and over 600 000 hours of peer to peer support provided in 2014
- **4,600** New jobs (FTEs) created by our members in 2014
- **2.2M** Customers purchased our members’ products and services
- **54M** People have been informed, influenced or inspired by our members’ activities and campaigns
