Webinar on Internet of Things

Mr. Hyoung Jun KIM

**Assistant Vice-President, ETRI (Electronics and Telecommunications
Research Institute)**

Dr. Hyoung Jun Kim joined ETRI (Electronics and Telecommunications Research Institute) in 1988, and he is currently in charge of PEC (Protocol Engineering Centre) as Assistant Vice-President of ETRI. The PEC is specialized group of ETRI for ICT standardization.

He was also visiting scholars at ULB (University of Brussels, 1994-1997) and UVa (University of Virginia, 2007-2008), and he has been now serving as Adjunct Professor of University of Science and Technology since the year 2008.

He has had about 30 years' research experiences in various divisions of ETRI including Info-Communications Technology Division, IT Strategy Research Division, Information & Telecommunications Technology Division, and Protocol Engineering Centre.

He has been currently serving as Vice-chair of ITU-T SG20 and its co-Chair of WP1/20 and the co-Convenor of JCA-IoT/SC&C (Joint Coordination Activity of Internet of Things and Smart Cities & Communities). In addition, he also had many experiences served as Vice-chair of ITU-T SG13 and the chair of WP3/13, Rapporteur of Q25/16, Vice-Chair of FG on M2M Service Layers, Chair of WP2 of the FG in ITU-T SG11 and Vice-Chairman of FG on Future Networks in ITU-T SG13 and so on. In addition, he is also serving as Vice-chair of oneM2M TP which is the group for standardization of IoT middleware platform.
