

International Organizations area: an extensive transport offer.

The International Organizations area is covered by a range of tpg lines.

The lines **V** and **Z** now situated in front of the Gare Cornavin and the line **F**, behind the station (rue de Montbrillant), offer you a direct connection to the International Organizations district.

With a bus every 15 minutes at rush hour, the lines **V** and **Z** complete the offer of the lines **5** and **8** in this area.

With an annual unireso pass, you get access to a public transport service that makes your journeys easier for just CHF * 500.- per year!
