The fifth session of UN/CEFACT approved in 1999 the recommendation of the UN/CEFACT Steering Group to delegate authority for maintenance of the code lists associated with UN/CEFACT Recommendations to the Code Working Group. This authorization was transferred to the Information Content Management Group (ICG) in the reorganization of UN/CEFACT’s structure in 2003.

The present revision of Recommendation No. 24, approved by the ICG in April 2009, supersedes and replaces the code list released with the fourth revision of Recommendation No.24 (CEFACT/ICG/2007/IC002) approved by the ICG, in April, 2007. The ICG is submitting the fifth Revision to the Plenary for approval.\(^1\)

\(^1\) This document was submitted late due to resource constraints.
\(^2\) The code lists can be downloaded from the UN/CEFACT website (http://www.unece.org/cefact/recommendations/rec_index.htm). Previous versions of Recommendation No. 24 include: Revision 4, CEFACT/ICG/2007/IC002; Revision 3, CEFACT/ICG/2004/IC006; Revision 2, TRADE/CEFACT/2001/22 and Revision 1, ECE/TRADE/258. These can also be found on the aforementioned website.

I. PREAMBLE

1. The United Nations, through its Centre for Trade Facilitation and Electronic Business (UN/CEFACT), supports activities dedicated to improving the ability of business, trade and administrative organizations, from developed, developing and transitional economies, to exchange products and relevant services effectively. Its principal focus is on facilitating national and international transactions, through the simplification and harmonization of processes, procedures and information flows, and so contribute to the growth of global commerce.\(^3\)

2. The UN/CEFACT work programme emphasises the need for developing recommendations, which simplify and harmonize the current practices and procedures used in international transactions. Within this context, the role of the UN/CEFACT Information Content Management Group (ICG) is to secure the quality, relevance and availability of code sets and code structures to support the objectives of UN/CEFACT, including managing the maintenance of UN/ECE Recommendations related to codes. The ICG prepared this latest revision of the code list for Recommendation 24.

3. The attached revision supersedes and replaces the code list released with the fourth revision of Recommendation 24 (CEFACT/ICG/2007/IC002) approved by the ICG, in April, 2007.

II. CODE LIST PRESENTATION

4. The code list is presented with the following columns:

**Change indicator (CI):** An indication of the maintenance status of individual entries in the code list.

(a) A plus sign (+)  **Added.** New status code added in this release of the code list;
(b) A hash sign (#)  **Changed name.** Name of the status code changed in this release of the code list;
(c) A vertical bar (¦)  **Changed description.** Description of the status code changed in this release of the code list;
(d) A letter X (X)  **Marked as deleted.** Code entries marked as deleted will be retained indefinitely in the code lists. When appropriate, these entries may subsequently be reinstated via the maintenance process;
(e) An equals sign (=)  **Reinstated.** Code entries previously marked as deleted and reinstated in this release of the code list.

**Code:** 3 character alphanumeric code value.

**Code name:** The name of the status code.
