Recommendation 16: United Nations Code for Trade and Transport Locations

BIC child code case study submission

The Recommendation n°16: United Nations Code for Trade and Transport Locations (document ECE/TRADE/459) proposes a template to capture child codes which are based on UN/LOCODE and used to provide further precision of locations within a UN/LOCODE zone/area. Submissions that reflect the work of Recommendation 16 are welcome with the condition that they use the below template without changing the margins or the questions. Proposals for submission should be sent to the Secretary of UN/CEFACT at: uncefact@un.org

These use cases do not engage the United Nations or UN/CEFACT in any way and they do not constitute an endorsement of any kind. Submissions are presented as is and were only checked for grammar and spelling.
