Yerevan Statement of Common Action

Statement of Common Action to initiate implementation of the provisions of the Hammamet Declaration adopted at the 6th International Forum on Energy for Sustainable Development in Armenia

Priority Action Areas:

1. Assist member States upon request in developing **national sustainable energy action plans** that are aligned with their future energy needs and that are consistent with the Hammamet Declaration.
2. Collaborate with member States to improve their **national energy statistics** programmes including collecting, analyzing and publishing data related to the Global Tracking Framework.
3. Provide **capacity building** to member States in the action areas outlined in the Hammamet Declaration: Energy Market Reform, Energy Efficiency, Renewable Energy, Energy Access, Energy Security, Finance and Investment, Technology, and Energy Data, Indicators and Analysis.
4. Encourage **international dialogue** for technological and knowledge exchange on lessons learned and best practices.
5. Develop internationally recognized minimum **energy performance standards** in all sectors.
