TBILISI-FORUM

TBILISI TO HOST FORUM “ENERGY FOR SUSTAINABLE DEVELOPMENT”

TBILISI. CAUCASUS PRESS. 09-17-13. The fourth international forum "Energy for Sustainable Development" will be held in Georgia on September 17-19. Around 200 delegates from 25 countries will attend the forum.

The organizers of the forum are the Georgian government, the United Nations Economic Commission for Europe, UN Economic and Social Commission for Asia and the Pacific and United Nations Development Programme.

The political and legislative issues stipulating the improvement of energy security and availability of clean energy in such sectors as construction and infrastructure will be discussed during the forum.

The participants will share the experience of Asia and Europe.
