Making the case for the Government
- walk the path -
LETS SEE THE NUMBERS

Source: IRENA
LET'S SEE THE NUMBERS

Source: OECD
WHAT IS REQUIRED FROM THE GOVERNMENT TO BE ENABLER?

- Clear and transparent policy
- Energy performance contracting (EPC) / Enabling environment for ESCOs
- Independent methodology for calculating energy/financial savings
- Multi-year budget for the public sector / energy account
- Schemes for the most energy intensive sectors
- Supporting mechanisms
