Favorable starting position

• Transparent and accountable institutions
• Long tradition of cooperation and collaboration, both nationally and internationally.
• Experience of working in an integrated manner.
• Existing goals and processes
• A dynamic, innovative private sector
• Well organized social partners
How to approach the assignment

• The government stands for a strong leadership.
• A national Committee for the 2030 Agenda has been appointed.
  https://agenda2030delegationen.se/english/
• Involvement of all levels of society, for example:
  – Forum for director generals from 40 authorities
  – Sustainability in business models
  – Civil Society organizations critically review
Statusreport

• Positive areas

• Challenges
The next steps

That within ordinary structures:

• Identify conflicts
• Make an overall gap analysis
• Adopt a national action plan
• Adopt a relevant system for follow up
• Establish broader and deeper collaboration and new partnerships
