

Decision 2009/10

**Compliance by Cyprus with its obligations under the 1988 Protocol
concerning the Control of Emissions of Nitrogen Oxides or Their
Transboundary Fluxes (ref. 1/08)**

The Executive Body,

Acting under paragraph 11 of the structure and functions of the Implementation Committee (Executive Body decision 2006/2),

1. *Recalls* decision 2008/7;
2. *Notes* the report provided by the Implementation Committee (EB.AIR/ 2009/2, paras.32–35) concerning the compliance of Cyprus with the requirements of paragraph 1 of article 2 of the Protocol on Nitrogen Oxides, following the referral by the secretariat pursuant to paragraph 5 of the structure and functions of the Implementation Committee, and in particular the Committee's conclusion regarding the failure of Cyprus to comply with the emission reduction obligation of the Protocol;
3. *Expresses* its concern at the failure by Cyprus to fulfil its obligation to take effective measures to control and/or reduce its national annual emissions so that these do not exceed emissions in 1987, as required by paragraph 1 of article 2 of the Protocol;
4. *Notes* with concern that Cyprus does not expect to achieve compliance until 2013;
5. *Urges* Cyprus to fulfil its obligation under the Protocol as soon as possible;
6. *Requests* Cyprus to provide to the Implementation Committee through the secretariat by 31 March 2010 a report providing a revised base year inventory, and describing the progress made towards compliance by setting out an updated timetable that specifies the year by which Cyprus expects to be in compliance, updating the listing of the specific measures taken or scheduled to fulfil its emission reduction obligations under the Protocol, and setting out the projected effects of each of these measures on its nitrogen oxide emissions on an annual basis up to and including the year of compliance;
7. *Requests* the Implementation Committee to review the progress and timetable of Cyprus, and report to it thereon at its twenty-eighth session.
