

PRTR-España

Spanish Register of Emissions and Pollutant Sources

Mrs. María Jesús Rodríguez de Sancho
Director General for Environmental Quality and Assessment,
Ministry of Environment, and Rural and Marine Affairs, Spain

1.-What is PRTR-España?

PRTR-España is the **Spanish Register of Emissions and Pollutant Sources**, which provides information on the *pollutant emissions to air, water and land*, and *off-site transfers of waste* from the main industrial facilities.

PRTR-España gives to the public all this information, which is validated by the Competent Authorities, following the criteria of the **Spanish “*Real Decreto*” 508/2007** and the **European Regulation 166/2006 (E-PRTR)** when the **emissions values are above the established thresholds**.

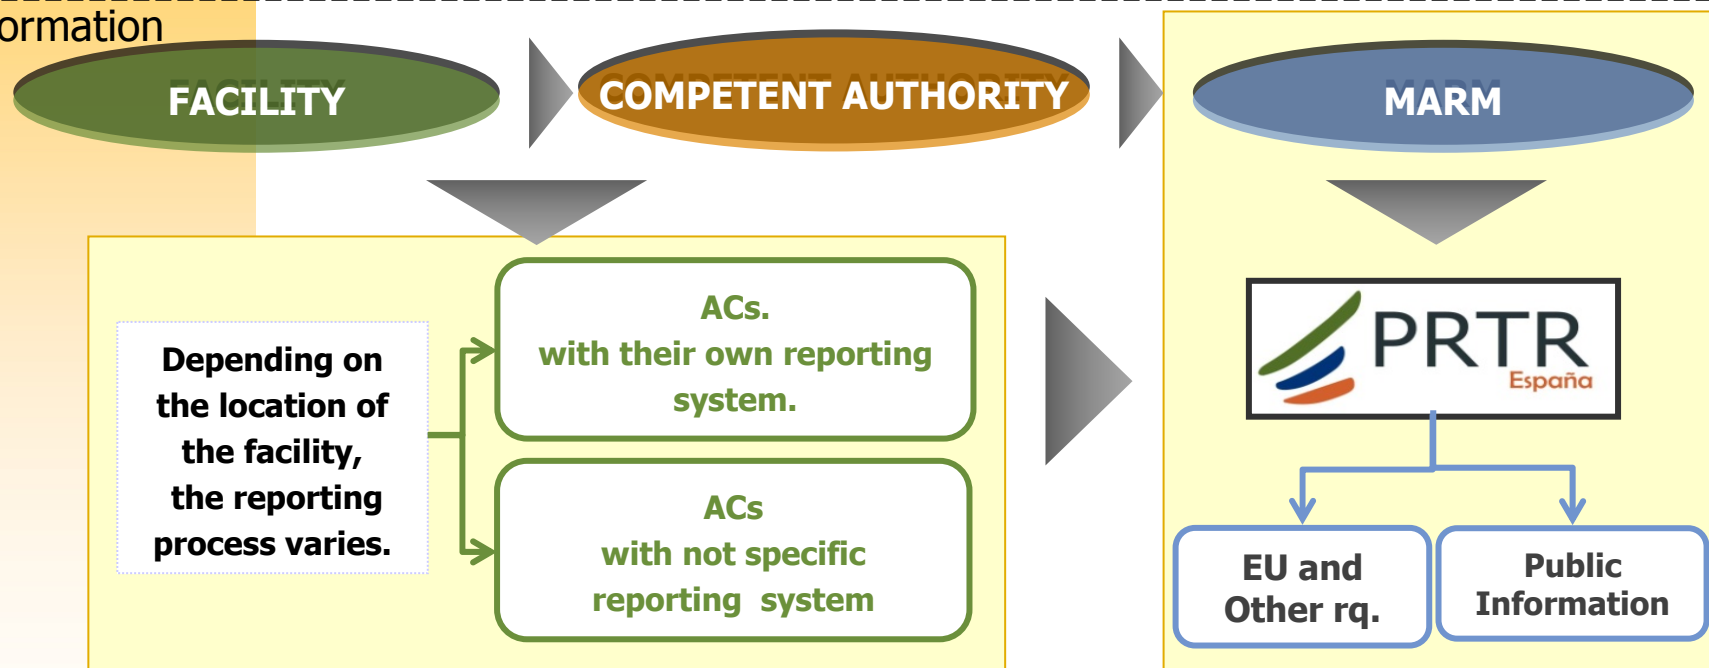

PRTR-España, since 2007, is actually the continuation of the former EPER-España Register which covered the information on emissions to air and water from the IPPC industrial activities. All EPER data (2001 to 2006) have been incorporated in PRTR-España

2.-Structure of PRTR-España

www.prtr-es.es

PRTR-España is designed as an **integrated** tool for **gathering, management and dissemination of data**, located in internet.

This e-tool has **two levels** with **different functionalities**: member area and public information

Using the same e-tool, the **REGISTRATION, NOTIFICATION and VALIDATION PROCESS** is carried out in **DIFFERENTS PERIODS of TIME** and, depending on the **“MEMBER”**, with **DIFFERENTS FUNCIONALITIES**

3.-Public Information on PRTR-España

www.prtr-es.es

The screenshot shows the PRTR España website interface. A red circle highlights the 'Información pública' menu on the left. A red dashed box highlights the main content area with the text 'SEARCH OF PUBLIC INFORMATION AND FACILITY INVENTORY (PRTR/IPPC DATA)'. Another red dashed box highlights the 'Antecedentes y marco legal' section in the left menu. A third red dashed box highlights the 'Preguntas Frecuentes' and 'Enlaces de interés' sections. A fourth red dashed box highlights the bottom of the page with the text 'DOCUMENTS AND INTERESTING LINKS'. Red arrows point from these annotations to the corresponding website elements. The website header includes 'Castellano | English | Galego | Catalá | Euskera' and 'Registro Estatal de Emisiones y Fuentes Contaminantes'. The main content area features a search bar, a map of Spain, and a news section titled 'Novedades' with a headline 'Se inicia el semestre de Presidencia española de la Unión Europea'. The right sidebar contains an 'Agenda' calendar for March 2010, a 'Registro y notificación datos 2009' section, and contact information for 'info@prtr-es.es'.
