### Draft Decision on the Establishment of the Working Group of the Parties to the Protocol<sup>1</sup>

*Recalling* article 17, paragraph 2 (e), of the Protocol on Pollutant Release and Transfer Registers, which states that the Meeting of the Parties shall establish such subsidiary bodies as it deems necessary,

*Recalling also* decision I[...] on the procedures for the preparation, adoption and monitoring of work programmes and on the work programme for 2011–2014,

*Recognizing* the need for an effective structure to oversee activities under the auspices of the Protocol between sessions of the Meeting of the Parties,

*Recognizing also* the need to ensure, when not already done so by another body, the exchange of information on technical issues dealing with practical implementation of the Protocol,

*Convinced* that the Bureau needs assistance and advice when preparing the sessions of the Meeting of the Parties to the Protocol,

*Believing* that a subsidiary body is the best way to ensure the full participation of stakeholders in the preparation of the sessions of the Meeting of the Parties,

3. *Also requests* the Working Group to meet no less than once during the intersessional period, while recognizing that more frequent meetings may be necessary in order for the Working Group to be able to fulfil its tasks, and to organize its work, within the means available, in the way that it deems most effective;
4. *Further requests* its officers and Bureau to serve as the officers and the Bureau of the Working Group.
