

**REPORTING FORMAT ON
IMPLEMENTATION OF THE UNECE CONVENTION ON THE
TRANSBOUNDARY EFFECTS OF INDUSTRIAL ACCIDENTS
7th Report (2012-2013)**

Whenever indicated, please provide replies from the previous reporting round (2010-2011) before inserting the update for the current reporting round (2012-2013).

Country:

Person responsible for reporting – please provide the contact details of the person who coordinated this report:

Name:		Is the person a Focal Point for the Convention? <input type="checkbox"/> YES <input type="checkbox"/> NO ¹ [I-A]
Authority		Is this authority designated as a Competent Authority in accordance with the §17 of the Convention? <input type="checkbox"/> YES <input type="checkbox"/> NO [I-B]
E-mail		
Phone number		

[I-C] **Cooperation** – please list the authorities at national, regional and local level involved in implementing the Convention, indicate their areas of responsibility and check if designated Competent Authority.

Name of authority	Area of responsibility	Competent Authority
		<input type="checkbox"/> YES <input type="checkbox"/> NO <input type="checkbox"/> n.a.
		<input type="checkbox"/> YES <input type="checkbox"/> NO <input type="checkbox"/> n.a.
		<input type="checkbox"/> YES <input type="checkbox"/> NO <input type="checkbox"/> n.a.
		<input type="checkbox"/> YES <input type="checkbox"/> NO <input type="checkbox"/> n.a.
		<input type="checkbox"/> YES <input type="checkbox"/> NO <input type="checkbox"/> n.a.

Add rows if needed

¹ Clarification on the questions is provided in the guidelines

[I-D] How were these authorities involved in the preparation of this report?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

Answers to the questions found below should not require more than 250-300 words except for Q.1 to which a comprehensive answer is estimated at 1,000-1,200 words.

POLICY FOR IMPLEMENTATION OF THE CONVENTION

1. Provide a general description of your country's policy for prevention of, preparedness for and response to industrial accidents, especially relating to the implementation of the Convention and explain how this policy is reflected in national legislation and followed up by authorities.

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

2. Please explain:

(a) To what extent does your policy deliver the intended results?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

(b) Have there been any difficulties with implementing the Convention?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

(c) Have there been any changes in the policy in the last two years or are changes being planned or considered?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

**IDENTIFICATION AND NOTIFICATION OF HAZARDOUS ACTIVITIES
 WITH THE POTENTIAL TO CAUSE TRANSBOUNDARY EFFECTS**

3. Describe briefly the mechanism / arrangements that you have been using for the identification and notification of hazardous activities (please note that notification in questions 3 to 7 is NOT related to the event of an accident. For further information, please refer to art. 4 of the Convention and to the explanatory note in the guidelines to this document about the meaning of notification in this context). Please also provide information on the mechanism / arrangements to consult with neighbouring countries to assess whether a given hazardous installation would be inserted in the list of activities to be notified.

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

4. How many hazardous activities have been identified?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

5. Are these the same as in previous report? If no, please explain.

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

6. Indicate which Parties/countries have been notified:

Neighbouring Party/country	Number of hazardous activities notified	Inform whether your country held consultations	Comments
		<input type="checkbox"/> YES <input type="checkbox"/> NO	
		<input type="checkbox"/> YES <input type="checkbox"/> NO	
		<input type="checkbox"/> YES <input type="checkbox"/> NO	
		<input type="checkbox"/> YES <input type="checkbox"/> NO	

Add rows if needed

7. Please indicate or describe:

- (a) How successful is your identification or notification mechanism? And how successful is the mechanism for consultation with neighbouring countries?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

- (b) Any weaknesses recently identified in identification or notification of hazardous activities, e.g. through applying indicators and criteria (ECE/CP.TEIA/2010/6, Annex II and III) and/or in the mechanism for consultation?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

- (c) Has your country taken any action in the last two years to improve the identification, notification of hazardous activities or consultation with neighbouring countries or are such actions being planned or considered?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

PREVENTION OF INDUSTRIAL ACCIDENTS

8. Further to general description provided under Q.1 please explain briefly the main preventive measures taken by operators and authorities during all phases of enterprise.

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

9. Please indicate or describe:

- (a) To what extent do your country's prevention measures deliver the intended results?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

(b) Any weaknesses recently identified in prevention, e.g. through applying indicators and criteria (ECE/CP.TEIA/2010/6, Annex IV)
Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

(c) Whether your country has started to take any steps in last two years to improve prevention or whether is planning to do so in the near future.
Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

EMERGENCY PREPAREDNESS AND RESPONSE

10. Do Internal and External emergency plans exist for all hazardous activities? Please explain

YES NO Partially

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

11. How do these plans take account of the results of the hazard/risk assessment?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

12. Is the preparation of the plans coordinated between operators and authorities If so, please explain how

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

13. Are the plans tested, reviewed and updated as necessary? Please explain

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

14. Is testing, reviewing or updating done in cooperation with neighbouring countries?
Please explain

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

15. Please indicate or describe:

(a) How successful are your country's emergency preparedness and response measures in meeting the aims of the Convention? Which authority(s) is/are responsible for them?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

(b) Any weaknesses recently identified in your country's emergency preparedness, and response, e.g. through applying indicators and criteria (ECE/CP.TEIA/2010/6, Annex V and Annex VI)

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

(c) Whether your country has started to take any steps in last two years to improve emergency preparedness and response or whether is planning to do so in the near future.

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

16. Do guidance documents concerning contingency planning to support national or regional authorities or operators exist?

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

17. Is the Industrial Accidents Notification (IAN) System established within the country?

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

Please describe

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

18. Do you use another accident notification system?

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

Please describe

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

19. In both cases, which authority is the point of contact as of art 17 of the Convention?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

MUTUAL ASSISTANCE

20. Has your country identified an authority that would act as point of contact for mutual assistance (as of art. 17 of the Convention)?

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

a) Please provide information on the point of contact responsible to requesting and/or providing assistance in the event of an accident.

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

b) Please provide general information on the procedures followed for requesting/and or providing assistance

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

21. Has your country established bilateral or multilateral agreements for mutual assistance?

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

SCIENTIFIC AND TECHNOLOGICAL COOPERATION AND EXCHANGE OF INFORMATION

22. Has your country set up any bilateral/multilateral activities/programmes to exchange information, experiences and/or technology in order to strengthen cooperation among Parties under the Convention? If so, please explain.

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

PARTICIPATION OF THE PUBLIC

23. What opportunities does the public in your country have to participate in establishing or implementing

(a) preventive measures

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

(b) preparedness measures

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

24. How do you inform the public of these opportunities?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

25. Does the public participate? Please explain

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

26. Are the public in neighbouring countries/Parties (who may be affected by hazardous activities) able to participate in the same way as people in your own country?

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

27. Do natural or legal persons capable of being affected by an industrial accident in the territory of neighbouring countries/Parties have access to the relevant administrative and judicial procedures in your country?

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

28. Please indicate or describe:

(a) How successful has your country been in developing public participation?
Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

(b) Any weaknesses recently identified in your country's system for public participation, e.g. through applying indicators and criteria (ECE/CP.TEIA/2010/6, Annex VII)

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

(c) Whether your country has started to take any steps in last two years to improve public participation or whether is planning to do so in the near future.

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

DECISION-MAKING ON SITING

29. Has your country established policies on the siting of hazardous activities and on significant modifications to existing activities? If so, please explain.

YES NO

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

30. How do these policies take transboundary issues into account? Please report on any bilateral activities on siting issues with potentially affected neighbouring countries.

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

31. Please explain or describe:

(a) To what extent does your siting policy achieve the intended results?

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

(b) Any weaknesses recently identified in your country's siting policy
Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

(c) Whether your country has started to take any steps in last two years to improve siting policy or whether is planning to do so in the near future.
Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

REPORTING ON PAST INDUSTRIAL ACCIDENTS

32. a Have there been any accidents with transboundary effects during this reporting period?

YES NO

33.

Reply from reporting round 2010-2011

Reply from reporting round 2012-2013

Date	Location	Type of Accident

32. b If yes, have you reported on past industrial accidents with transboundary consequences and, if so, which system did you use?
