

# Strategic partnerships

Informal meetings between chairs and vice-chairs five MEA's and the CEP

Chris Dijkens

Item 10 of the agenda

# Content

1. Reasons for an enhanced cooperation between five MEAs
2. Informal guidance: *'towards enhanced cooperation of UNECE MEAs'*
3. Meetings held
4. Outcome, activities and way forward

# Five MEAs

- Air Convention
- Espoo Convention
- Water Convention (and protocols)
- Industrial Accidents Convention
- Aarhus Convention (and protocols)
- Protocol on Civil Liability (not yet in force)

# Reasons for an enhanced cooperation between five MEAs

- Strong interdependency between the subjects covered by the MEAs
- Current environmental challenges can be more effectively addressed in an integrated manner
- Same target groups
- Supporting activities
- Finances
- Coordination and cooperation
- Practical use of synergies among the five MEAs, CEP and other environmental programs

# Informal guidance

- Conditions for cooperation, synergy and harmonization
- Opportunities for enhanced cooperation
  - MEAs mutual support and assistance
  - MEAs organization
  - MEAs joint activities
  - MEAs resources
- Further steps for enhanced cooperation

# Meetings held

- 22 November 2011
- 16 April 2012
- 27 February 2013
- 21 October 2013
- 27 October 2014

## Documents:

- chair's summaries (except 27 October 2014)
- Informal guidance 'Towards enhanced cooperation of UNECE's MEAs'
- Sustainable extrabudgetary financial arrangements for the ECE environmental conventions

# Results and way forward (1)

- Follow up on the endorsed paper on possible synergies among the MEAs and to joint activities
- Several activities were identified for existing, possible future and other synergies
- Possible involvement of the MEAs in the 8<sup>th</sup> Environment for Europe (EfE) ministerial Conference

## Results and way forward (2)

- Awareness raising of MEAs to other regions, including opening to non-ECE countries
- Implementation of the MEAs in countries with economies in transition
- MEAs role in sustainable development/green economy
- Continuation of the discussion on financial arrangements under MEAs
- Contribution to the meeting of the CEP20

Thank you for your attention !
