

Side event

organized by Finland, Canada and Denmark – Greenland

Arctic EIA

Producing good practice recommendations for EIA and Public Participation in the Arctic

Wednesday, 14 June 1–1.30 p.m.

Hotel Beijing, Minsk, room Lotus

The side event informs about the ongoing work under the Arctic Council's Sustainable Development Working Group focusing on producing recommendations for EIA and public participation for the Arctic region. Mapping good practices, sharing experiences, learning from each other and creating recommendations together form the core of the project. Finland is the lead country, Canada and Denmark are co-leads. Good practice recommendations are produced 2017-2019.

Programme

Arctic -a changing environment

- Video: Snow, water, ice and permafrost in the Arctic

Good practice recommendations for EIA and Public Participation in the Arctic
