REGIONAL OFFICE FOR **Europe**

Workshop on setting targets under the Protocol to support implementation of the Sustainable Development Goals

Geneva, 4–5 May 2017

PROVISIONAL PROGRAMME

THURSDAY 4 MAY

10.00–10.30 Welcome and introduction

Welcome speech

Pierre Studer, Chair of the Task Force on Target Setting and Reporting, Switzerland (5 mins)

Interactive introduction round (15 mins)

Setting the scene: introduction to the objectives of the workshop (10 mins)

Francesca Bernardini, UNECE

10.30–11.30 SESSION 1. Getting started with the 2030 Agenda in the pan-European region

10.30-10.45 How is the implementation of the 2030 Agenda unfolding in the pan-European region: insights on the process, latest developments and next steps (10 mins)

Michael Kunz, UNECE

10.45-11.15 Exchange of experience on institutional settings to implement the 2030 Agenda in general and the water, sanitation and health related SDGs in particular:

- Aneta Haimannova, Czech Republic (10 mins and Q&A)
- Iryna Rudenko and Olexandre Bon, Ukraine (10 mins and Q&A)

11.15-11.30 General discussion on experiences, common challenges and lessons learned with regard to institutional settings

Questions for discussion:

- *What kind of institutional arrangements to implement the 2030 Agenda and water, sanitation and health related SDGs have been established in your country?*
- *What do you think could be applied in your country from what was presented?*

11.30-16.00 SESSION 2. Follow-up and review of the Sustainable Development Goals

11.30-13.00 Monitoring SDG 6 on clean water and safe sanitation

- Linkages between the target areas under the Protocol and the water, sanitation and health related SDG targets and indicators (10 mins and Q&A)
Francesca Bernardini, UNECE
- SDG targets 6.1, 6.2 and 6.3 – monitoring under WHO/UNICEF Joint Monitoring Programme for Water Supply and Sanitation (JMP) (10 mins and Q&A)
Rick Johnston, WHO
- SDG targets 6.3, 6.4, 6.5 and 6.6 – monitoring under the UN Water Integrated Monitoring initiative GEMI (10 mins and Q&A)
Kate Medlicott, WHO
- SDG targets 6.a and 6.b – monitoring under UN-Water Global Analysis and Assessment of Sanitation and Drinking-Water (GLAAS) (10 mins and Q&A)
Marina Takane, WHO

Questions and answers to the presenters and discussion on the challenges of monitoring SDG6 and linkages with reporting under the Protocol

13.00-15.00 Lunch

15.00-16.00 2017 Voluntary national reviews for the high-level political forum on sustainable development, with a particular focus on SDG 3 on healthy life and well-being and SDG 6 on clean water and sanitation

- Alena Drazdova, Belarus (10 mins)
- Lieke Friederichs, Netherlands (10 mins)
- Enrico Veschetti, Italy (10 mins)

Questions and answers to the presenters and plenary discussion

16.00-18.00 SESSION 3. How to implement the water, sanitation and health related SDGs building on the Protocol on Water and Health

Interactive group discussion on how setting and implementing targets under the Protocol can best support the attainment of the 2030 Agenda

Questions for discussion:

- *What are the priorities in your countries in relation to the implementation of SDG 3, 6 and other water, sanitation and health related SDG targets?*
- *How are these priorities linked to/reflected in the targets set under the Protocol?*
- *How are the institutional arrangements established under the Protocol at national level supporting your country in translating the goals and targets of the 2030 Agenda into national targets and action?*
- *What are the challenges in implementing and monitoring the SDGs in your countries and what kind of guidance should be provided by the future Protocol tool on how to translate the 2030 Agenda into national targets and monitor progress?*

FRIDAY 5 MAY

9.30–11.30 **SESSION 4. From ambition to action: substantive achievements under the Protocol on Water and Health**

9.30-10.00 Wrap up of Day 1 and introduction to the World Café session
Nataliya Nikiforova, UNECE

10.00-11.30 World Café: How the Protocol has paved the way towards attaining the 2030 Agenda?
Exchange of experience on substantial progress achieved under the Protocol in specific target areas and relevant water and health outcome

- Third generation wastewater treatment – *Pierre Studer, Switzerland*
- Equitable access: social water tariffs – *Yannick Pavageau, France*
- Integrated WSP and SSP: the Web-Based National Tool for Water Cycle Safety Planning – *Jarkko Rapala, Finland*
- System to support water works in situations of crisis – *Kjetil Tveitan, Norway*
- Small scale sanitation systems Ecosan – *Serafima Tronza, Republic of Moldova (Russian)*
- Water quality surveillance system for individual wells – *Natalja Sliachtic, Lithuania (Russian)*

11.30–12.30 **Conclusions and the way forward**

Outcomes of the workshop and the way forward
UNECE and WHO/Europe

Closing of the workshop
Pierre Studer, Switzerland
