

Options

1. Comprehensive integrated environmental assessment for pan-European region
2. Thematic assessment based on the themes for the ninth Environment for Europe Ministerial Conference
3. Indicator-based report based on ECE environmental indicators, reflecting the establishment of SEIS in the region

- The Committee takes note of the draft concept for the next pan-European environmental assessment (Information paper No. 15) and the suggestions made by the Working Group for the modalities, scope and form of the assessment;

... request the Working Group, with the support of the secretariat, working in close cooperation with the EEA and UNEP, to prepare a detailed proposal, including a timetable, budget and expanded outline, for the assessment to be presented to the Committee at its next session;

... specified that the proposal should foresee an assessment based on the ECE set of environmental indicators (option 3 in the draft concept) and addressing as well the two themes to be addressed by the next ministerial conference (option 2);
