Preparing the 5th Ministerial High-Level Meeting on Transport, Health and Environment 1/3

16th Meeting of THE PEP Steering Committee (Geneva, 12-14 December 2018)

The Steering Committee continued preparation for the High-level Meeting and discussed:

- Draft declaration
- Content of the High-level Meeting
- Slogan and communication activities

Meeting of the Partnership on cycling
hosted by Geneva Canton on 11 December
Preparing the 5th Ministerial High-Level Meeting on Transport, Health and Environment 2/3

In particular, the *draft declaration* is expected to:

- Contain strong links to SDGs
- Highlight the issues that THE PEP can contribute to solve (ex. Air pollution caused by transport, climate change, effects on health)
- Mention accomplishments and design the view for the future (including decarbonization and work to link urban and peri-urban areas)

Among the *outputs* that THE PEP will present at the High-level Meeting:

- First ever Pan-European master plan on cycling promotion
- Two studies on green jobs in green transport
- One study on including transport planning into land-use planning
- Guidelines on eco-driving
Preparing the 5th Ministerial High-Level Meeting on Transport, Health and Environment 3/3
