PARIS DECLARATION
City in Motion – People first!

THE PEP Vision
Green and healthy mobility and transport for sustainable livelihoods for all

Priority Goals
1 - Stimulate the creation of green jobs
2 - Manage a viable and effective mobility
3 - Reduce transport emissions: air pollution, greenhouse gases, noise
4 – Promote healthy and safe transport policies
5 - Integrate Transport Health Environment objectives into urban and spatial planning policies
PARIS DECLARATION
City in Motion – People first!

Implementation mechanisms

• National Transport, Health and Environment Action Plans NTHEAP: strategic frameworks for member States (guidance)

• “Relay-races”: key messages from country to country to share best practices (workshops)

• Partnerships between interested countries: technical assistance for tools, methods, resources…

• Academy: network linking for scientists, policymakers, operational staff
