Structure and functions of the Implementation Committee and procedures for review of compliance

Decision III/2, appendix (ECE/MP.EIA/6)

Structure
1. (a) The Committee shall consist of eight Parties to the Convention. Each of the eight Parties shall appoint a member of the Committee. At their second meeting, the Parties elected four Parties to the Committee for two terms and four Parties for one term. At each session thereafter, the Meeting of the Parties shall elect four new Parties for two terms. Outgoing Parties may be re-elected once, unless in a given case the Meeting of the Parties decides otherwise. The Committee shall elect its own Chair and Vice-Chair;

(b) For the purposes of this paragraph "term(s)" means the period that begins at the end of one meeting of the Parties and ends at the end of the next meeting of the Parties.

Meetings
2. The Committee shall, unless it decides otherwise, meet at least once a year. The secretariat shall arrange for and service its meetings. The agenda for each meeting shall be made publicly available before the meeting.

3. Its meetings shall be open to other Parties and the public, unless the Committee decides otherwise. Parts of meetings dealing with specific submissions relating to compliance shall not be open to other Parties or to the public, unless the Committee and the Party whose compliance is in question agree otherwise.

Objective and functions of the Committee
4. The objective of the Committee shall be to assist Parties to comply fully with their obligations under the Convention, and to this end it shall:

(a) Consider any submission made in accordance with paragraph 5 below or any other possible non-compliance by a Party with its obligations that the Committee decides to consider in accordance with paragraph 6, with a view to securing a constructive solution;

(b) Review periodically, in accordance with guidelines or criteria formulated by the Meeting of the Parties, compliance by the Parties with their obligations under the Convention on the basis of the information provided in their reports;

(c) Prepare the reports referred to in paragraph 11 with a view to providing any appropriate assistance to the Party or Parties concerned, for example by clarifying and assisting in the resolution of questions; providing advice and recommendations relating to procedural, technical or administrative matters; and providing advice on the compilation and communication of information; and

(d) Prepare, at the request of the Meeting of the Parties, and based on relevant experience acquired in the performance of its functions under
subparagraphs (a), (b) and (c) above, a report on compliance with or implementation of specified obligations in the provisions of the Convention.

**Submission by Parties**

5. A submission may be brought before the Committee by:

   (a) One or more Parties to the Convention that have concerns about another Party's compliance with its obligations under that instrument. Such a submission shall relate specifically to those concerns and shall be addressed in writing by the focal point of the Party in question to the secretariat and supported by corroborating information. The secretariat shall, within two weeks of receiving a submission, send a copy of it to the focal point of the Party whose compliance is at issue. Any reply and information in support thereof shall be submitted to the secretariat and to the focal points of the Parties involved within three months or such longer period as the Parties involved agree. The secretariat shall transmit the submission and the reply, as well as all corroborating and supporting information, to the Committee, which shall consider the matter as soon as possible; or

   (b) A Party that concludes that, despite its best endeavours, it is or will be unable to comply fully with its obligations under the Convention. Such a submission shall be addressed in writing to the secretariat and explain, in particular, the specific circumstances that the Party considers to be the cause of its non-compliance. The secretariat shall transmit the submission to the Committee, which shall consider it as soon as possible.

**Committee initiative**

6. Where the Committee becomes aware of possible non-compliance by a Party with its obligations, it may request the Party concerned to furnish necessary information about the matter. Any reply and information in support shall be provided to the Committee within three months or such longer period as the circumstances of a particular case may require. The Committee shall consider the matter as soon as possible in the light of any reply that the Party may provide.

**Information gathering**

7. To assist the performance of its functions under paragraph 4 above, the Committee may:

   (a) Request further information on matters under its consideration, through the secretariat;

   (b) Undertake, at the invitation of the Party of origin and/or the affected Party, information gathering in the territory of that Party;

   (c) Consider any information forwarded by the secretariat concerning compliance with the Convention; and

   (d) As appropriate, seek the services of scientific experts and other technical advice or consult other relevant sources.

8. The Committee shall ensure the confidentiality of information that has been provided to it in confidence, inter alia, with regard to the reports of its meetings.

**Entitlement to participate**

9. A Party in respect of which a submission is made or which makes a submission shall be entitled to participate in, or be present during, the consideration by the
Committee of that submission, but shall not take part in the preparation and adoption of any report or recommendations of the Committee. The Committee shall decide on the content of any report or recommendations by consensus, send a copy of the draft report or recommendations to the Parties concerned, and shall take into account any representations from such Parties in the finalization of the report.

10. A member of the Committee that represents a Party in respect of which a submission is made or which makes a submission shall be entitled to participate in the consideration by the Committee of that submission but shall not participate in, or be present during, the preparation and adoption of any part of a report or recommendation of the Committee that relates to that submission.

Committee reports to the Meeting of the Parties

11. The Committee shall report on its activities at each meeting of the Parties through the secretariat and make such recommendations as it considers appropriate, taking into account the circumstances of the matter, regarding compliance with the Convention. Each report shall be finalized by the Committee not later than ten weeks in advance of the session of the Meeting of the Parties at which it is to be considered. Every effort shall be made to adopt the report by consensus. Where this is not possible the report shall reflect the views of all the Committee members. Committee reports shall be available to the public.

Competence of Committee members

12. If as a result of the operation of paragraph 10 the size of the Committee is reduced to five members or less, the Committee shall forthwith refer the matter in question to the Meeting of the Parties.

Consideration by the Meeting of the Parties

13. The Meeting of the Parties may, upon consideration of a report and any recommendations of the Committee, decide upon appropriate general measures to bring about compliance with the Convention and measures to assist an individual Party’s compliance. The Parties shall make every effort to reach a decision by consensus. If all efforts at consensus have been exhausted, and no agreement reached, the decision shall, as a last resort, be adopted by a three-fourths majority vote of the Parties present and voting at the meeting.

Relationship to settlement of disputes and the inquiry procedure

14. The present compliance procedure, as a non-adversarial and assistance-oriented procedure, shall be without prejudice to the settlement of disputes provisions in Article 15 of the Convention.

15. Where a matter is being considered under an inquiry procedure under Article 3, paragraph 7, of the Convention, that matter may not be the subject of a submission under this decision.
Operating rules of the Implementation Committee

Preamble

The second meeting of the Parties to the Convention on Environmental Impact Assessment in a Transboundary Context decided to establish an Implementation Committee for the review of compliance by the Parties with their obligations under the Convention, with a view to assisting them fully to meet their commitments (decision II/4). The third meeting of the Parties decided to revise the structure and functions of the Committee and the procedures for review of compliance (decision III/2).

These operating rules guide the Implementation Committee in the execution of its functions and provide more detail on how the Committee should operate within its structure and functions. The Committee considers that the rules are needed to facilitate its work. The rules incorporate decisions made by the Committee in its meetings and reflected in their reports. It is intended that the rules promote consistency, predictability, credibility, transparency, accountability and efficiency in the work of the Committee, particularly with regard to procedures for the review of compliance. It is also intended that the rules will provide a flexible means of adapting the Committee’s mode of operation in the light of its experience.

Purposes

Rule 11

These operating rules should apply to any meeting and to any other conduct of business of the Implementation Committee under the Convention and should be read together with and in furtherance of the structure, functions and procedures set out in the appendix to decision III/2 of the Meeting of the Parties to the Convention.

Rule 2

The following rules of procedure of the Meeting of the Parties to the Convention on Environmental Impact Assessment in a Transboundary Context, should apply, mutatis mutandis, to any meeting of the Implementation Committee under the Convention on Environmental Impact Assessment in a Transboundary Context, except as otherwise provided in the rules set out herein and in the appendix to decision III/2: rule 3 (Place of meetings); rules 12 and 13 (Agenda); rules 20 to 22 (Officers); rules 24 and 25(c) (Secretariat); rules 28 and 30 to 35 (Conduct of business), except rule 32, paragraph 2; and rules 38 to 46 (Voting).

1 The Committee should refer here to paragraph 4 of the appendix to decision III/2.

The provisional agenda for each meeting should indicate which items are closed to the public in accordance with rule 17, paragraph 1.

Rule 10

2. (a) Recommendations to the Party concerned on what legislation, procedures or institutions require strengthening and how;

(b) A recommendation to the Party concerned to submit to the Committee a strategy, with time schedule, for action to bring about compliance, and to report to the Committee on its implementation of the strategy;

(c) A recommendation to the Meeting of the Parties, and to potential donors, to provide assistance to the Party concerned through national or subregional workshops, training, seminars or technical assistance;

(d) A recommendation to the Meeting of the Parties to issue a declaration of non-compliance or a caution;

(e) In exceptional circumstances, a recommendation to the Meeting of the Parties to suspend, in accordance with the applicable rules of international law concerning the suspension of the operation of a treaty, the special rights and privileges accorded to the Party concerned under the Convention.9

Rule 1310

1. Once prepared, the draft findings and recommendations should be transmitted to the Parties involved inviting them to comment (or make representations) within a reasonable deadline, and to submit their comments through the secretariat. The draft findings and recommendations should not be publicly available at this stage. If possible and if necessary to help the Parties involved to comment, the Committee might arrange for the draft findings and recommendations to be translated into another official language.

9 See Article 60 of the Convention on the Law of Treaties (Vienna, 1969), which provides for the termination or suspension of the operation of a treaty as a consequence of its breach:

1. A material breach of a bilateral treaty by one of the parties entitles the other to invoke the breach as a ground for terminating the treaty or suspending its operation in whole or in part.

2. A material breach of a multilateral treaty by one of the parties entitles:

(a) The other parties by unanimous agreement to suspend the operation of the treaty in whole or in part or to terminate it either:

(i) In the relations between themselves and the defaulting State, or

(ii) As between all the parties;

(b) A party specially affected by the breach to invoke it as a ground for suspending the operation of the treaty in whole or in part in the relations between itself and the defaulting State;

(c) Any party other than the defaulting State to invoke the breach as a ground for suspending the operation of the treaty in whole or in part with respect to itself if the treaty is of such a character that a material breach of its provisions by one party radically changes the position of every party with respect to the further performance of its obligations under the treaty.

3. A material breach of a treaty, for the purposes of this article, consists in:

(a) A repudiation of the treaty not sanctioned by the present Convention; or

(b) The violation of a provision essential to the accomplishment of the object or purpose of the treaty.

4. The foregoing paragraphs are without prejudice to any provision in the treaty applicable in the event of a breach.

5. Paragraphs 1 to 3 do not apply to provisions relating to the protection of the human person contained in treaties of a humanitarian character, in particular to provisions prohibiting any form of reprisals against persons protected by such treaties.

10 The Committee should refer here to the second sentence of paragraph 9 of the appendix to decision III/2.
2. Within two weeks of receiving any comments, the secretariat should transmit the comments to the Committee and the other Parties involved, unless the Party providing the comments requested otherwise, in which case those comments should be forwarded only to the Committee.

3. At its meeting following the deadline for comments, the Committee should review and finalize the draft findings and recommendations taking into account the comments received. The findings and recommendations should be prepared as an addendum to the report of the meeting (i.e. as an official document), and transmitted to the Parties involved and to the Meeting of the Parties.

**Rule 14**

Pending consideration by the Meeting of the Parties, with a view to addressing compliance issues without delay, the Committee might:

(a) Provide advice and facilitate assistance to a Party whose compliance is in question regarding its implementation of the Convention, in consultation with that Party;

(b) Make recommendations to a Party whose compliance is in question, subject to agreement with that Party.

**Procedures for Committee initiatives**

**Rule 15**

1. The sources of information by which the Committee might become aware of a possible non-compliance could be:

   (a) Parties’ work under the Convention;

   (b) Any other source.

2. In determining whether to begin a Committee initiative, in accordance with paragraph 6 of the appendix to decision III/2, the Committee should take into account, inter alia, the following:

   (b) The information relates to an activity listed in Appendix I to the Convention likely to have a significant adverse transboundary impact;

   (c) The information is the basis for a profound suspicion of non-compliance;

   (d) The information relates to the implementation of Convention provisions;

   (e) Committee time and resources are available.

3. The Committee should consider the information on a non-discriminatory, non-arbitrary and unbiased basis.

4. Rules 11 to 14 should be applied, mutatis mutandis, in the case of a Committee initiative.

---

11 The Committee should refer here to paragraph 11 of the appendix to decision III/2.

12 The Committee should refer here to paragraphs 6 and 7 of the appendix to decision III/2.
Publication of documents and information

Rule 16

1. The provisional agenda, together with related official documents (other than confidential items) of a meeting of the Committee, should be publicly available on the Convention website.

2. Meeting reports, together with other related official documents (other than confidential items), should be publicly available on the Convention website once agreed by the Committee.

3. Discussion papers prepared by the secretariat or by members for meetings of the Committee should not be publicly available unless the Committee decides otherwise.

4. A submission and any reply to the submission should be made available through the Convention website within one month of receipt.

5. The following documents and information should be made available through the Convention website, once the Committee has concluded its consideration of the issue:
   (a) Information by which the Committee becomes aware of a possible non-compliance;
   (b) Any reply to a Committee initiative;
   (c) Corroborating or supporting information;
   (d) Correspondence by the Committee;
   (e) Draft findings and recommendations, and ensuing representations from the Parties involved.

6. Documents and information other than those identified in paragraphs 4 and 5 should be available upon request if agreed by the Committee.

7. Paragraphs 4, 5 and 6 should not apply to parts of documents and information that have been provided to the Committee requesting confidentiality.

8. Paragraphs 4, 5 and 6 should not apply to the following documents and information that relate to a self-referral in accordance with paragraph 5 (b) of the appendix to decision III/2, unless agreed by the Committee and by the submitting Party:
   (a) A submission;
   (b) Corroborating or supporting information;
   (c) Correspondence by the Committee;
   (d) Draft findings and recommendations, and ensuing representations from the submitting Party.

9. Pending consideration by the Committee, a short summary of the issue should be available on the Convention website, once agreed by the Committee, together with a list of relevant documents and information, but not their content. The summary should be prepared by the secretariat to include in particular:
   (a) The names of the Party or Parties involved;
   (b) The date of the submission, information or Committee initiative;
   (c) The name and type of the activity in question, in the case of a submission or Committee initiative.

The Committee should refer here to the third sentence of paragraph 2 and to paragraph 8 of the appendix to decision III/2.
10. Any progress report from a Party requested by the Meeting of the Parties or by the Implementation Committee should be made available through the Convention website as soon as possible and at the latest within one month of receipt.

**Participation in meetings of the Committee**

**Rule 17**

1. Meetings of the Committee should be open to observers (other Parties, States, bodies, agencies and the public), unless the Committee decides otherwise. Parts of meetings dealing with specific submissions relating to compliance should not be open to observers, unless the Committee and the Party whose compliance is in question agree otherwise. Observers should register with the secretariat in advance of each meeting.

2. A Party in respect of which a submission is made or which makes a submission should be entitled to participate in, or be present during, the consideration by the Committee of that submission, but should not take part in the preparation and adoption of any report, finding or recommendation of the Committee.

3. This rule should be applied, mutatis mutandis, in case of a Committee initiative.

**Decision-making**

**Rule 18**

1. The Committee should make every effort to reach its decisions by consensus. If all efforts to reach consensus have been exhausted and no agreement has been reached, any other decision should, as a last resort, be taken by a majority vote of the members present and voting, if at least five members are present. For decision-making, each member should have one vote. Where consensus is not possible, the report should reflect the views of all members.

2. Without prejudice to rule 19 for the purposes of these rules, the phrase “members present and voting” means members present at the meeting at which voting takes place and casting an affirmative or negative vote. Members abstaining from voting should be considered as not voting.

**Rule 19**

In between meetings, electronic means of communication might be used by the members for the purpose of decision-making and of conducting informal consultations on issues under consideration. Decisions could only be taken by electronic means of communication, if the issue is urgent, if no member opposes using such means in a particular case, and if all eight members participate in decision-making by submitting to the Chair and the secretariat their vote or informing the Chair and the secretariat that they are abstaining from voting. Any decisions taken by electronic means of communication should be reflected in the report of the meeting of the Committee that follows the taking of the decision.
