Convention on Environmental Impact Assessment in a Transboundary Context**

POSTER DISPLAYS

This paper presents information for those interested in making poster displays at the fourth meeting of the Parties to the Espoo Convention. Please e-mail eia.conv@unece.org to inform the secretariat of your requirements.

Posters may be displayed in the main meeting room, Bratianu Hall, which is approximately 35 by 35 m (see photograph below and plan overleaf). It will be possible to enter the room on Monday 19 May, between 1 and 3 p.m.

There are four panels between each pair of pillars in the room; 20 panels in total. Each panel is 1 m wide and 2 m tall. Panels are metal and painted a creamy colour. Posters may be simply attached with tape – not staples, tacks or pins. Tables will be arranged in front of the panels for the display of additional materials. If you have a free-standing display, this could be erected close to the interpretation booths, facing the entrance.
