Session IV: Way forward for establishing a national SEA system in Ukraine as per the requirements of the Protocol on SEA and the EU Directives

28 February 2017, Kyiv
Discussion in groups (25 min) and present the opinion (2 min per group)

• What are **the benefits and costs of application of SEA in Ukraine?**

• What needs to be done in Ukraine to make SEA operational (i.e. that is it applied as a standard tool)?

• What are key challenges **for establishing SEA system in the country** and ways to overcome them?
