Canada	in progress	in progress		
Croatia			x	In the National Strategy for SD (adopted 02.09), ESD recognized as a general principle and a key challenge for achieving SD.
Cyprus	x		x	NAP under implementation and is a priority for the ongoing reform of education. ESD is included in the revision of the National Strategy for SD.
Czech Republic		x		
Denmark		x		
Estonia		in progress in progress	x	National Strategy on ESD is foreseen in the 2010 workplan of the Ministry of Education and Science. In January 2010, a revised school curricula for primary and high school was approved by the Government. They address ESD as a cross-cutting issue, expand the concept of study/training space (incl. museums, enterprises, nature reserve centers) and promote ESD in informal education. State Forest Management Centre, Environmental Board, Museum of Natural History (institutions within the structure of the Ministry of the Environment) apply ESD principles to the development of their educational and training programs and activities.
