

Information from Ukraine on its activities to cover the arrears in its payments to the EMEP Trust Fund (for the periods 1992-1994 and 1996-2001)

04.03.2009

Dear Ms. Tea Aulavuo,

First of all, I would like to apologize for delay with the answer.
But now I am ready to provide you with information on made issues.

1. Concerning the financial obligations of Ukraine for 2009

The contribution of Ukraine to the budget of Protocol to Convention on Long-range Transboundary Air Pollution of 1979 for 2009 in the amount of USA 2,410 \$ will be prepaid at the end of current year after the budgetary program of the State Environment Protection Fund on 2009 are to be approved by Government of Ukraine.

2. Concerning the state of realization of the Project on Development of National Model of Estimation of Heavy Metals Emissions Impact on Environment of Ukraine for 1992-1994, the cost of which is equivalent USA 140,989 \$

At present Ukraine is ready to give the created national model for the international use on account of the country debt remission in Trust Fund of the program EMEP for 1992-1994 in the amount of 140,989 \$.

3. Concerning the issue of development of the project on creation of the international station of EMEP for 1996-2001, the cost of which is equivalent USA 175,205 \$

The Ministry of Environment Protection of Ukraine plans to conduct additional consultations with Coordinating Chemical Centre with the aim to choose the final place of station location and continue the works to realize the project on creation of the international station EMEP in Ukrainian part of delta Danube River.

The detailed information is described in a letter in Russian (attached).
Thank you very much for cooperation and if you have any questions please don't hesitate to contact me.

Kind regards,
Liliya Kozak
Senior Specialist of the Department for Air Protection and Climate Change
The Ministry of Environment Protection of Ukraine
