Dear Mr Ewing,

I have received two deputation requests from you in relation to Beechwood House and 2 Denning Road .

In relation to the two deputation requests, you do not appear to live near the application site on which you wish to speak. As you know, the Committee will only accept deputations from people or organisations who have a planning-related interest that could be affected directly by the matter under consideration. As your home address is not in the vicinity of any of the applications on which you wish to speak, nor even in the same ward, officers do not consider that you could be directly affected by any of them. Consequently officers will be recommending that your request for Beechwood House is considered as a written submission and not as a deputation.

Your deputation request concerning 2 Denning Road was received after the 9am deadline and therefore cannot be submitted.

Thanks  
Hannah  
Regards

Hannah Hutter  
Principal Committee Officer
