Dear Mr Ewing,

I have received two deputation requests from you in relation to 1-3 Maresfield Gardens and 1 Frogнал Gardens .

In relation to the two deputation requests, you do not appear to live near the application site on which you wish to speak. As you know, the Committee will only accept deputations from people or organisations who have a planning-related interest that could be affected directly by the matter under consideration. As your home address is not in the vicinity of any of the applications on which you wish to speak, nor even in the same ward, officers do not consider that you could be directly affected by any of them. Consequently officers will be recommending that your requests for 1-3 Maresfield Gardens and 1 Frogнал Gardens are considered as written submissions and not as deputations.

Regards

Hannah Hutter
Principal Committee Officer
