Mr Terence Ewing

Dear Mr Ewing

Re: Deputations before the Development Control Sub-Committee - Complaint against Committee Services

I write in response to your letter dated 3rd November. At your request, I have investigated your complaint and on conclusion can report the following. The advice given by Vicky Wemyss-Cooke was to the Chair of the Development Control Committee. Such advice does not fall within the terms of Camden's complaints procedure as it does not relate to the Council's service to you or to the public in general. Consequently, we will not be replying further to you in relation to this advice.

Yours sincerely
