Subject: Draft Act published for consultation

Dear Fiona,

Hereby I inform you that we have started the process of the public consultation on our draft Act amending the Environmental Appeals Act (EEA) last week.

For internal information of the Secretariat and Committee - for those persons that understand the German language - the original version of the draft is enclosed.

You can find the draft as well published on our Website under:

<http://www.bmub.bund.de/themen/strategien-bilanzen-gesetze/umweltpruefungen-uvpsup/strategien-umweltpruefungen-uvp-sup-download/artikel/entwurf-eines-gesetzes-zur-anpassung-des-umwelt-rechtsbehelfsgesetzes-und-anderer-vorschriften-an-europa-und-voelkerrechtliche-vorgaben/>

As soon as we will receive a translation into English we will submit it officially to the Secretariat (so far I not received any time-indication by our lingual service).

Best regards

Matthias Sauer  
Referatsleiter
