PRTR Protocol
Third session of the Meeting of the Parties to the Protocol on PRTRs
(Budva, Montenegro, 15 September 2017)

EU and its Member States contribution

Agenda item 2: Status of ratification of the Protocol

The EU and its Member States would like to thank the Secretariat for the information on the status of ratification, acceptance, approval and accession with respect to the Protocol.

The Protocol has been ratified by most UNECE member countries. I encourage the remaining Signatories to the Protocol and other interested States ratify the Protocol in the near future to become Parties to the Protocol.
