**CONTRIBUTIONS TO THE AARHUS CONVENTION TRUST FUND IN 2010  
AS OF 16 JUNE 2010**

Information note by the secretariat

Please note that the fourth column ('For Year') of the table indicates for which year the contribution is intended. Thus, the fifth ('Total in 2010 in USD') and the sixth ('Total for 2010 in USD') columns indicate the adjusted amount received in 2010 in USD and for use in 2010 in USD respectively for each donor.

When no indication has been given by the donor on the year for which the contribution is intended, neither in the bank transfer nor in any letter or receipt received in hardcopy by the secretariat, then the year has been assumed by the secretariat in light of the timing and amount of previous contributions or by verbal confirmations from the donors.
