

## **International Network of Parliamentarian for Water**

In the context of the implementation of the Sustainable Development Goals and the Paris Climate Agreement adopted at COP 21, the International Network of Parliamentarian for Water has the objectives of:

- Facilitating the exchange of "best legislative practices" related to water;
- Facilitating the organization of debates, dissemination of information and best practices, and sharing knowledge through regional, national or international meetings;
- Ensuring personalized help to Parliamentarians on specific requests with the support experts;
- Producing reports and briefings on water and sanitation policies for Parliamentarians, according to available resources.

An event will be held to launch the “International Network of Parliamentarians for Water” during CoP22 in Marrakesh, Morocco on Wednesday, 9 November 2016. The event will be hosted with the kind support of the Minister of Environment of Morocco, H.E. Dr. Hakima El Haité; the Minister of Water of Morocco, H.E. Dr. Charafat Afaïlal; and the President of COP 22 H.E. Mr. Salaheddine Mezouar.
