

Workshop on validation of results of mapping of technologies to enhance energy efficiency in buildings

Third Meeting of the Joint Task Force on Energy Efficiency Standards in Buildings

Place and date: Palais des Nations, Room XVIII, Geneva
3 October 2018

Programme

10:00-10:15	Opening remarks <ul style="list-style-type: none">- Ms. Paola Deda, Officer-in-charge, Forests, Land and Housing Division, UNECE- Mr. Scott Foster, Director, Sustainable Energy Division, UNECE
10:15 – 13:00	Session 1: Mapping of existing technologies to enhance energy efficiency in buildings <p><i>The session will review and discuss the results of the study on the mapping of energy efficient technologies.</i></p> <p>Moderator: Mr. Aleksandar Dukovski, Chair, UNECE Group of Experts on Energy Efficiency (GEEE)</p> <ul style="list-style-type: none">- Ms. Kankana Dubey and Mr. Andrey Dodonov, UNECE Consultants, Co-authors of the draft study on mapping of EE technologies <p>Moderated discussion with the JTF members to review the results of the draft study</p>
13:00 – 15:00	Lunch break
15:00 – 16:00	Session 1 (continued): Mapping of existing technologies to enhance energy efficiency in buildings <p>Moderator: Mr. Aleksandar Dukovski, Chair, GEEE</p> <p>Continued discussion with the JTF members to review the results of the draft study</p>

16:00 – 17:30	<p>Session 2: Interactive discussion between national and international experts on application of energy efficient technologies in buildings</p> <p><i>The session will provide an opportunity to discuss the main challenges to implementation of energy efficient technologies and best practices in improving energy efficiency in buildings.</i></p> <p>Moderator: Mr. Andres Jaadla, Chair, Estonian National Housing Association (EKYL)</p> <p>Discussion questions:</p> <ol style="list-style-type: none"> 1. What are the main obstacles in your country to applying advanced technologies to enhance energy efficiency in buildings? 2. Do you see a correlation between the strictness and enforcement of existing EE standards on one hand and the level of applied EE technologies on the other? 3. Please share experience of your country/organization in promoting application of technologies that enhance energy efficiency in buildings? 4. What are the current energy efficiency technology trends in the building sector in the UNECE region? <p>Panellists: Representatives of international and other organizations, and UNECE member States</p> <p>Ms. Doris Andoni, Head of Housing Policy, Ministry of Finance and Economy, Albania</p> <p>Mr. Sylvain Labbé, Chief Executive Officer, Quebec Wood Export Bureau, Canada</p> <p>Mr. Marko Čanović, General Director for Housing Development, Ministry of Sustainable Development and Tourism, Montenegro</p> <p>Mr. Boris Melnichuk, Expert, Board on Energy Efficiency under the Government of the Russian Federation</p> <p>Mr. Kostiantyn Gura, Acting Director, Green Investment Development Center, State Agency on Energy Efficiency and Energy Saving of Ukraine</p> <p>Ms. Irina Atamuradova, Senior Expert on Energy Efficiency, UNDP Turkmenistan</p> <p>Ms. Giorgia Tzar, Passive House Institute, Germany</p> <p>Mr. Jaap Hogeling, Director, EPB Center, The Netherlands</p> <p>Ms. Nathalie Roebbel, Technical Officer, World Health Organization (WHO)</p> <p>Ms. Lucia Maria De Francesco, Energy Efficiency Expert, NewEn, Italy</p>
17:30-18:00	<p>Session 3: Next steps for the work of the Joint Task Force and Conclusions</p> <p><i>The session participants will discuss the main outcomes of the meeting and the next steps in the work of the Joint Task Force.</i></p> <ul style="list-style-type: none"> - Mr. Andres Jaadla, Chair, EKYL - Mr. Aleksandar Dukovski, Chair, GEEE - Mr. Oleg Dzioubinski, Energy Efficiency Programme Manager, Sustainable Energy Division, UNECE
