D1. Value of total construction put in place

Country	Year	Total construction	Residential construction	Non-residential construction
		In millions of national currency units	as % of total construction	

FYROM - The Former Yugoslav Republic of Macedonia

- a/ In billion roubles.
- b/ In terms of new denomination (equivalent to 1000 old roubles).
- c/ From 1999, in million new leva (new leva = 1000 old lev).
- d/ Data include only legal entities employing 5 and more persons in construction activities.
- e/ Preliminary data.
- f/ Data on value of construction put in place are not available. Data refer to total construction cost.
- g/ Data refer to enterprises with 10 or more employees only.
- h/ Data refer to new constructions only.
- i/ From 1999, data refer to construction units employing more than 9 persons only.
- j/ Data refer only to construction works carried out on contract.
- k/ Data refer only to enterprises employing more than 20 persons.
