PARIS DECLARATION

City in motion – People first!

• **THE PEP Vision:** Green and healthy mobility and transport for sustainable livelihoods for all

• **New Priority Goal 5:** to integrate transport, health and environmental objectives into urban and spatial planning policies
How to reach goal 5 ?

A partnership : The Russian Federation, France and…. 

• To develop scientific cooperation, university cooperation and valorize good practices

• International seminars organised by the Russian Federation :
  – « Looking for Synergy : integrating transport, urban planning and the use of traffic management methods to ensure sustainable mobility and healthy urban environment » Irkustk – September 2015
  – « The Best Practice of Sustainable Urban Transport Systems Planning: from Realization of Large-scale Infrastructure Projects to Mobility Management » Moscow - October 2015
University cooperation

Joint organization of training in the field of sustainable transport planning proposed by France in relation with THE PEP by:

- signing of appropriate agreements between the leading universities from participating countries;

- joint development of curricula and programs for students.
University cooperation

Cooperation between
Moscow Automobile and Road Construction University (MADI)

Versailles - Saint-Quentin Saclay

June 2016: 1st agreement
THANK YOU!
